Never before have so many world-class shooting options been combined in one place! Welcome to Dismal River, the ultimate outdoorsman's paradise situated on thousands of Nebraska's primest acres. Our Wild West Package is a three-day and two-night journey through some of the most rewarding shooting and bird hunting around.

Join us as we guide you through our Upland Pheasant Hunting plots in search of your daily bag limit. Add to your escape with friendly competition and target practice in one of our many unique shooting facilities. We have Fly Ring, 5-Stand, Pistol and Long Range Rifle Ranges and an Archery range to hone your skills. Our new "River Run" Sporting Clay Course will challenge even the most seasoned marksmen and reward contestants with jaw dropping views of the Dismal River and surrounding sandhills. When the day is done, head back to the clubhouse to indulge in the fruits of your labor with drinks and dinner. Happy Hunting!

RIVER RUN SPORTING CLAY COURSE

- 10 UNIQUE SHOOTING STATIONS
- STUNNING SCENIC RIVER VIEWS

- ON YOUR OWN OR GUIDED
- OPEN ALL SEASON LONG

Shoot straight and true as the ol' Wranglers used to do at Dismal River's premier "River Run" Sporting Clay Course. Navigate your way down the winding, scenic Dismal River visiting 10 unique stations aimed at honing your craft. Each station will test even the most seasoned marksman as varying distances, directions, and landscapes all coming into play. Bring out the crew for a tournament style format or challenge yourself with a round of practice before some Upland Hunting. Our capable UTVs can act as a stand-in for your trusty steed while traversing the River Run, located just east of our Red Course. Expect your journey to take the better part of two hours and then you can head back to our clubhouse for refreshments and a warm meal!

- MULTIPLE TARGET OPTIONS

- .50 caliber THRILL
- OPEN ALL YEAR LONG

Long-range shooting is one of the fastest growing shooting sports around. It tests your patience as well as your body and breathing control. At Dismal River Club, you can experience long-range shooting even if you've never tried it! Our range is set up with targets starting at 100 yards and going out to one mile. And we have precision rifles that are built for long-range accuracy. Of course, if you are already a precision shooter, you are welcome to bring your own rifles and ammunition.

And every shooter will want to attempt the Tatanka Challenge! one mile, 1,760 yards. Our buffalo silhouette target sits a mile away, awaiting all challengers. Hit the target and you walk away with a commemorative coin to celebrate your accomplishment.
