Never before have so many world-class shooting options been combined with golf in one place! Welcome to Dismal River, the ultimate outdoorsman's paradise situated on thousands of Nebraska's prime acres. Our Wild West Package offers a three-day, two-night adventure featuring rewarding shooting and bird hunting experiences, paired with exclusive access to our two championship golf courses.

Join us as we guide you through our Upland Pheasant Hunting plots in search of your daily bag limit. Enjoy friendly competition and target practice at our unique shooting facilities, including Fly Ring, 5-Stand, Pistol and Long Range Rifle Ranges, and an Archery range. Our new "River Run" Sporting Clay Course will challenge even the most seasoned marksmen, offering stunning views of the Dismal River and surrounding sandhills.

In addition to thrilling shooting experiences, our Wild West Package provides the rare opportunity to play on our prestigious golf courses, reserved exclusively for this package.

When the day is done, head back to the clubhouse to enjoy drinks and dinner. Happy Hunting!
